

PERSONREGISTER

I dei to banda av *Heimar og Folk* er det nemnt over 10 000 personar. I innleiinga i band I er det forklart korleis du skal finna fram til bustadene dei er førde opp på. For å letta framfinninga har me i tillegg laga eit personregister. Registeret omfattar dei som bur eller har budd i Ullensvang, og dei som eig eller har ått fritidsbustad her. Nokre born som har budd i Ullensvang er ikkje komne med, då det har vore vanskeleg å knyta dei til ein bestemt bustad. Slår du opp på foreldra deira, vil du likevel finna fram til dei. Personar som ikkje er direkte knytte

til heradet, som ektefellar og sambuarar til utflytte born, er ikkje med i registeret.

Registeret er sortert etter etternamn, med berre éi oppføring for kvar person. Dei som har endra etternamn, til dømes ved inngåing av ekteskap, står oppførde på berre det eine namnet, vanlegvis det opphavlege etternamnet. Mange av dei som er nemnde i registeret, har budd fleire stader i heradet. Det er berre teke med tilvising til ein stad, vanlegvis hovudbustaden eller den fyrste av stadene der personen er nemnd som vaksen. Alle dei andre stadene personen har budd,

kan finnast ved å fylgja tilvisingane vidare når ein slår opp på vedkomande.

Oppføringane i registeret byrjar med namn på personen og fødselsår om det er kjent, deretter kjem ei forkorting som viser til band og sidetal (t.d. II-153: side 153 i band II). Sidetalet viser til den sida der omtalen startar av den familien personen tilhøyrrer. Sjølve personen kan altså i nokre tilfelle vera nemnd øvst på sida etter. For at det skal vera lettare å finna rett familie, står nummeret til denne i parentes heilt til slutt på kvar line i registeret.
